

METALLA RENEWS BASE SHELF PROSPECTUS

FOR IMMEDIATE RELEASE

[TSXV: MTA](#)
[NYSE American: MTA](#)

June 28, 2024

Vancouver, Canada: Metalla Royalty & Streaming Ltd. (“**Metalla**” or the “**Company**”) (TSXV: MTA) (NYSE American: MTA) announces that it has obtained a receipt for the final short form base shelf prospectus (the “**Shelf Prospectus**”) filed with the securities regulatory authorities in each of the provinces of Canada and that a corresponding registration statement on Form F-10 (the “**Registration Statement**”) has been filed with the United States Securities and Exchange Commission (the “**SEC**”) under the Multijurisdictional Disclosure System established between Canada and the United States.

The Shelf Prospectus and the Registration Statement, when made effective, will enable the Company to make offerings of up to C\$300 million of common shares, warrants, subscription receipts, units and share purchase contracts (collectively, the “**Securities**”), or a combination thereof, from time to time, during the 25-month period that the Shelf Prospectus and Registration Statement remain effective.

In order to maintain financial flexibility, and consistent with past practice, the Company has historically maintained a base shelf prospectus. The Company has no present intention to offer Securities pursuant to the Shelf Prospectus.

The Securities may be offered under the Shelf Prospectus and Registration Statement separately or together, offered in amounts, at prices and on terms to be determined based on market conditions at the time of sale and, subject to applicable regulations, may include “at-the-market” transactions, public offerings or strategic investments. The specific terms of any offering of Securities, if any, including the use of proceeds from such offering, will be set forth in a shelf prospectus supplement pertaining to such offering to be filed with applicable securities regulatory authorities.

This news release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these Securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such

jurisdiction. A copy of the Shelf Prospectus can be found under the Company's SEDAR+ profile at www.sedarplus.ca, and a copy of the Registration Statement can be found on EDGAR at www.sec.gov. Copies of the Shelf Prospectus and the Registration Statement may also be obtained by contacting the Company at 543 Granville Street, Suite 501, Vancouver, British Columbia V6C 1X8.

Cautionary Note Regarding Forward-Looking Statements

This press release contains "forward-looking information" and "forward-looking statements" (collectively, "**forward-looking statements**") within the meaning of applicable securities legislation. The forward-looking statements herein are made as of the date of this press release only and the Company does not intend to and does not assume any obligation to update or revise them except as required by applicable law.

All statements included herein that address events or developments that we expect to occur in the future are forward-looking statements. Generally, forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects", "is expected", "budgets", "scheduled", "estimates", "forecasts", "predicts", "projects", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward-looking statements in this press release include, but are not limited to, statements regarding: the effectiveness of the Registration Statement; the filing and effectiveness of any potential prospectus supplement; the Company undertaking any offering of Securities under the Shelf Prospectus and corresponding Registration Statement, including the amount and terms of any Securities to be offered; the use of proceeds of any offering of Securities; the future outlook of Metalla; and Metalla's ability to become one of the leading gold, silver, and copper companies for the next commodities cycle.

Such forward-looking statements reflect management's current beliefs and are based on information currently available to management. Forward-looking statements are based on forecasts of future results, estimates of amounts not yet determinable and assumptions that, while believed by management to be reasonable, are inherently subject to significant business, economic and competitive uncertainties, and contingencies. Forward-looking statements are subject to various known and unknown risks and uncertainties, many of which are beyond the ability of Metalla to control or predict, that may cause Metalla's actual results, performance or achievements to be materially different from those expressed or implied thereby, and are developed based on assumptions about such risks, uncertainties and other factors set out herein, including but not limited to: risks related to commodity price fluctuations; the absence of control over mining operations from which Metalla will purchase precious metals pursuant to gold streams, silver streams and other agreements or from which it will receive royalty payments pursuant to net smelter returns, gross overriding royalties, gross value royalties and other royalty agreements or interests and risks related to those mining operations, including risks related to international operations, government and environmental regulation, delays in mine construction and operations, actual results of mining and current exploration activities, conclusions of economic evaluations and changes in project parameters as plans are refined; risks related to exchange rate fluctuations; that payments in respect of streams and royalties may be delayed or may never be made; risks related to Metalla's reliance on public disclosure and other information regarding the mines or projects underlying its streams and royalties; that some royalties or streams may be subject to confidentiality arrangements that limit or prohibit disclosure regarding those royalties and streams; business opportunities that become available to, or are pursued by, Metalla; that Metalla's cash flow is dependent on the activities of others; that Metalla has had negative cash flow from operating activities in the past; that some royalty and stream interests are subject to rights of other interest-holders; that Metalla's royalties and streams may have unknown defects; risks related to Metalla's two material assets, the Côté property and the Taca Taca property; risks related to general business and economic conditions; risks related to global financial conditions, geopolitical events and other uncertainties; risks related to epidemics, pandemics or other public health crises, including COVID-19 global health pandemic, and the spread of other viruses or pathogens, and the potential impact thereof on Metalla's business, operations and financial condition; that Metalla is dependent on its key personnel; risks related to Metalla's financial controls; dividend policy and future payment of dividends; competition; that project operators may not respect contractual obligations; that Metalla's royalties and streams may be unenforceable; risks related to conflicts of interest of Metalla's directors and officers; that Metalla may not be able to obtain adequate financing in the future; risks related to Metalla's current credit facility and financing agreements; litigation; title, permit or license disputes related to interests on any of the properties in which Metalla holds, or may acquire, a royalty, stream or other interest; interpretation by government entities of tax laws or the implementation of new tax laws; changes in tax laws impacting Metalla; risks related to anti-bribery and anti-corruption laws; credit and liquidity risk; risks related to Metalla's information systems and cyber security; risks posed by activist shareholders; that Metalla may suffer reputational damage in the ordinary course of business; risks related to acquiring, investing in or developing resource projects; risks applicable to owners and operators of properties in which Metalla holds an interest; exploration, development and operating risks; risks related to climate change; environmental risks; that the exploration and development activities related to mine operations are subject to extensive laws and regulations; that the operation of a mine or project is subject to the receipt and maintenance of permits from governmental authorities; risks associated with the acquisition and maintenance of mining infrastructure; that Metalla's success is dependent on the efforts of operators' employees; risks related to mineral resource and mineral reserve estimates; that mining depletion may not be replaced by the discovery of new mineral reserves; that operators' mining operations are subject to risks that may not be able to be insured against; risks related to land title; risks related to international operations; risks related to operating in countries with developing economies; risks related to the construction, development and expansion of mines or projects; risks associated with operating in areas that are presently, or were formerly, inhabited or used by indigenous peoples; that Metalla is required, in certain jurisdictions, to allow individuals from that jurisdiction to hold nominal interests in Metalla's subsidiaries in that jurisdiction; the volatility of the stock market; that existing securityholders may be diluted; risks related to Metalla's public disclosure obligations; risks associated with future sales or issuances of debt or equity securities; risks associated with the Company's loan facility; that there can be no assurance that an active trading market for Metalla's securities will be sustained; risks related to the enforcement of civil judgments against Metalla; risks relating to Metalla potentially being a passive "foreign investment company" within the meaning of U.S. federal tax laws; and the other risks and uncertainties disclosed under the heading "Risk Factors" in the Company's most recent Annual Information Form, annual report on Form 40-F and other documents filed with or submitted to the Canadian securities regulatory authorities on the SEDAR+ website at www.sedarplus.ca and the U.S. Securities and Exchange Commission on the EDGAR website at www.sec.gov. Although we have

attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. We are under no obligation to update or alter any forward-looking statements except as required under applicable securities laws. For the reasons set forth above, undue reliance should not be placed on forward-looking statements.
